

Jane F Onyinye Esimekara (Nigeria/Switzerland), PhD in progress

My early formative years were in Nigeria, and I moved to Geneva, Switzerland as a teen. I attended college at Collège Calvin Geneva. From there, I attended dental school at University of Geneva, completing my degree in 2019. While in school, pédo-dontics ,orthodontics and oral surgery have always been of great interest to me. After obtaining my dental degree, I continued my post-graduate studies and research in implants. And, I am currently work in Lausanne as assistant-dentiste in a private practice/ clinic. Passionate about prevention in oral health, I also enjoy travelling and volunteer in humanitarian activities (Red cross). (Currently in Switzerland)
